## NORTHERN COALFIELDS LIMITED: AN INTRODUCTION

---

#

- Northern Coalfields Limited (NCL) is the only subsidiary of Coal India Limited producing 100% coal from Open Cast Mines. The major demand of coal on NCL is from power sector, which contributes more than 96% of the total demand.
- There are 10 nos. highly mechanized open cast coal mines out of which 05 nos. are in Uttar Pradesh (UP) and 05 nos. are in Madhya Pradesh (MP).
- During the year 2011-12, NCL has produced 66.401 MT of coal which is 0.22% higher than last year's production.
- NCL supplies coal to pithead power plants of National Thermal Power Corporation (NTPC), Uttar Pradesh Rajya Vidut Utpadan Nigam Limited (UPRVUNL) and Renupower division of Hindalco Industries Limited having installed generating capacity of 11,155 MW. NCL is also supplying coal to power plants of Rajasthan State Electricity Board & Delhi Vidut Board (DVB) and to other industries like Aluminium (HINDALCO), Chemicals etc.
- In order to maintain good environment, NCL is maintaining 08 nos. of Effluent Treatment Plants (ETP), 07 nos. of Sewage Treatment Plants (STP) and 56 nos. of Water Sprinklers apart from wide spread tree plantation in & around the mines, colonies and nearby villages.
- NCL's effort has been appreciated at National Level by way of awards such as TERI National Award for Environment (2005), SCOPE Meritorious Award for Environmental Excellence & Sustainable Development (2007-08) and Green Tech Environment Award (2011), Greentech CSR Award (2011) and Aqua Foundation CSR Award(2011).

## OUR ACHIEVEMENTS

---

- We are a “Miniratna” company.
- We are the only company in India which achieved Integrated Management System (IMS) certification.
- Under IMS certification we achieved prestigious certifications like: I.S.O.9001, I.S.O.14001, O.H.S.A.S.18001 & S.A.8000.
- We are the first mining company to achieve S.A.8000 certification.
- We received Greentech. Environmental Excellence Award & Aqua Foundation Award.
- We are inching towards status of being a “Navratna” company.
